Forecast for Monday 14 Aug 2023

Weather: Mostly cloudy start then brightening up with some sunny intervals, before a scattering of showers break out by late morning, these on the heavy side, though some could stay dry. Showers dying out in the evening.

Chance of cloud-free hill tops above 800m: 40% at first rising to 80% or more from mid-morning.

Low Cloud and visibility: Cloud at 600-900m at first with poor visibility then lifting and breaking, with any cloud in afternoon expected to lift clear of the tops. General visibility then good with only temporary reductions near showers.
